

Dear players,

Thank you for joining the Easter Online Scrabble Challenge 2022 organised by the Hong Kong Scrabble Players Association. Please note the following arrangements for the tournament.

Permitted aids

Players in the Secondary (Novice) Division may refer to the CSW21 2- and 3-letter word list for their reference at all times during the tournament, while players in the Secondary (Open) Division may refer to the CSW21 Initiation Kit during the tournament.

Monitoring protocols

We will follow the same monitoring protocols as international events like WESPA Championship and the ASTAR Scrabble Challenge International.

Players are advised to conduct their matches on a computer and are required to share the following three things with the invigilator:

1. The computer screen
2. A camera showing the full face of the participant, preferably a webcam
3. A camera showing the hand of the participant from a side angle, preferably your mobile phone

You will be required to create the links on obs.ninja and share the links with us on the event day. We suggest you test your equipment a few days in advance. We will also allow you to test your sharing links with us half hour before the tournament begins. Please follow the enclosed guideline, which is extracted from the guideline for the WESPA Youth Cup 2021.

Woogles tournament room

We will play in a designated room for the event:

<https://woogles.io/tournament/hkeaster22>

No tournament games shall be played outside the room, while no practice games shall be played inside this room.

You are not required to report your score as we will extract and input your score directly after you complete the game.

Event Coverage

The event coverage pages are here:

Secondary (Novice):

https://events.hkscrabble.org/results/20220416_easter_sn/index

Secondary (Open): https://events.hkscrabble.org/results/20220418_easter_so/index

Players who are assigned to start first should send the match request to the opponent. As Woogles will randomly assign the first and second player of the game, the player who sends the request may not be the one playing first in the game. Please follow the first/second assignment by Woogles.

Registration your attendance

You are required to type your displayed name (e.g. Peter CHAN Tai Ming) in the chat box on Woogles on your arrival. If you are going to be late, please advise us as soon as possible or you will be removed from the pairing system.

Closing Ceremony

The closing ceremony will be conducted online. Links to the video conferencing platform will be sent out via the chat box on Woogles on the day.

Please let us know if you have any queries. We wish you a pleasant online Scrabble experience.

Best regards,

Hong Kong Scrabble Players Association
